

## Last Kiss

Oh, where oh where can my baby be?  
The Lord took her away from me  
She's gone to heaven, so I got to be good  
So I can see my baby when I leave this world

We were out on a date in my daddy's car  
We hadn't driven very far  
There in the road, straight ahead  
A car was stalled, the engine was dead

I couldn't stop, so I swerved to the right  
I'll never forget, the sound that night  
The screamin' tires, the bustin' glass  
The painful scream, that I heard last

Oh, where oh where can my baby be?  
The Lord took her away from me  
She's gone to heaven, so I got to be good  
So I can see my baby when I leave this world

When I woke up, the rain was pourin' down  
There were people standing all around  
Something warm flowin' through my eyes  
But somehow I found my baby that night

I lifted her head, she looked at me and said  
"Hold me darling, just a little while"  
I held her close, I kissed her our last kiss  
I found the love, that I knew I had missed  
And now she's gone, even though I hold her tight  
I lost my love, my life that night

Oh, where oh where can my baby be?  
The Lord took her away from me  
She's gone to heaven, so I got to be good  
So I can see my baby when I leave this world
